

Teaching Experience for the latest years:

1990-1993

- Statistical methods of processing measurement information, Chair of information measurement instrumentation of Georgian Technical University (Georgia); (in Georgian and Russian)
- Statistical methods of production quality control, Chair of information measurement instrumentation of Georgian Technical University (Georgia); (in Georgian and Russian)

1996-2006

- Statistical methods of data processing and the suitable software, Chair of computing mathematics and informatics of Tbilisi State University (Georgia); (in Georgian)
- Mathematical methods of control and management of the pollution of the environment, Chair of computing mathematics and informatics of Tbilisi State University (Georgia); (in Georgian)
- Mathematical methods in ecology, Chair of computing mathematics and informatics of Tbilisi State University (Georgia); (in Georgian)
- Basis of Informatics, Chair of computing mathematics and informatics of Tbilisi State University (Georgia); (in Georgian)

2003-2007

- Statistical methods in research, Chairs of automatic systems of management of Georgian Technical University (Georgia); (in Georgian and Russian)
- Theory and practice of statistical models. Methods of prognosis, Chairs of automatic systems of management of Georgian Technical University (Georgia); (in Georgian and Russian)
- Statistical models of computer-aided management, Chairs of automatic systems of management of Georgian Technical University (Georgia); (in Georgian and Russian)

2007

- Mathematical methods of processing of economic information and computer facilities, Tbilisi State University of Economic Relationships, (Georgia); (in Georgian and Russian)

2007-2012, 2015 (spring)

- Statistical Models and Simulation by SPSS, Abdus Salam School of Mathematical Sciences of GC University Lahore (Pakistan); (in English)
- The Monte-Carlo Method with SPSS, Abdus Salam School of Mathematical Sciences of GC University Lahore (Pakistan). (in English)

2011

- Statistical models, Chairs of automatic systems of management of Georgian Technical University (Georgia) (in Georgian)
- Quantitative Analysis for Managers, International Black Sea University (Georgia) (in English)

2013-2020

- Business Process Modeling (Department of informatics of the Georgian Technical University (Georgia)) (in Georgian)

- Computer Analysis Systems of Statistical Information (Department of informatics of the Georgian Technical University (Georgia)) (in Georgian)
- Application of Statistical Methods in Research (European Research Center of the Tbilisi State University) (in English)

2021

- Theory of Probability and Applied Statistics
- Operations Research
- Statistical Models and Simulation by SPSS
-

Invitations and Patents

1. In 1975-1976 I was giving lectures at the Moscow Power Institute (Technical University) – МЭИ, chair of applied mathematics, Moscow, Russia.
2. April 2000. University of Athens, Greece. I had Lectures on the scientific seminars.
3. May 2000. Institute Superior Tecnico, Technical University of Lisbon, Portugal. I had Lectures on the scientific seminars.
4. 19-27 March 2002. University of Rome “La Sapienza”, Department of Mathematic, Italy. I had Lectures on the scientific seminars.
5. 20-27 August, 2004. Texas A&M University, Department of Mathematic, Collage Station, USA. I had Lectures on the scientific seminars.
6. 05-11 June 2006. Department of Civil and Environmental Engineering, Imperial College, London, UK. I had Lectures on the scientific seminars.
7. Form September of 2007 to September of 2012, I was full Professor of Abdus Salam School of Mathematical Sciences of GC University Lahore, Pakistan.
8. Summer, 2009, IFREMER, Brest, France, I had Lectures on the scientific seminars.
9. Autumn, 2008 and winter, 2009, Tallinn University of Technology, I had Lectures on the scientific seminars.
10. From February 23, 2015 to May 16, 2015, I was invited for reading lectures and consulting postgraduate students and lecturers in Abdus Salam School of Mathematical Sciences of GC University Lahore, Pakistan.
11. 4-10 March, 2018. I was visiting Keele University (UK) to participate in the ERASMUS + ICM Teaching Mobility in the School of Computing and Mathematics. I was giving lectures on the scientific seminar.
